Product Code : LL102
Description : White Rectangular Soft PVC Keytag
Item Colour/s : White
Quantity :
Decoration Type : Digital Direct
Print Colour

DIGITAL DIRECT: This item is digitally printed in CMYK. If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (to CP equivalent of coated pantone colours - perfect colour match not guaranteed). Vector art is required for colour matching. We are unable to edit colours in rasterized images. Print colours may be altered in appearance if placed on a strong colour background.

PRINT PERMANENCY

We do not guarantee print permanency on key tags as keys constantly rub against the surface and the abrasive action may eventually remove the print.

PLEASE NOTE

Talcum power is put on PVC key tags to stop them sticking together in transit.
A label is applied to all export cartons.

Some movement will be apparent when printing to the full print area due to movement in the jig during printing

Maximum print area: 53mmL x 33mmH
